

CLIENT COMMENTS

"Joe Allen and I would like to thank the both of you and Howard Building Corporation. HBC did a wonderful job with building out the 501 Continental facility for Teledyne Controls. I truly enjoy walking into the building each morning and the much enhanced working environment".

- Teledyne Controls

"Most important was the fact you completed our offices 'on schedule' since our move-in date was of critical importance".

- Brillstein-Grey Entertainment

"We received the highest quality service — your firm also completed the offices 'on schedule' and within budget".

- Endeavor

"Although the construction schedule was very tight, HBC (and its subcontractors) performed a first class job.

- Wasserman Media Group

"Our 150,000 square foot project was a huge success, in large part, to the HBC team of Mark Fuller and Paul Holzschuh. HBC's relationship with the inspectors paid high dividends. This project came in on-schedule due to such value added actions and behaviors."

- BAE Systems

"The entire process was a closely choreographed effort among the owner, construction manager and designer. Cool heads and strategic teamwork brought this project to completion on-time and on-budget."

- ConAgra Grocery Products

“Quite simply, the entire HSE team is awed by the quality and quantity of work HBC accomplished on the renovation of our new corporate headquarters in West Hollywood. In eight weeks HBC completed what everyone said was impossible.”

- Hollywood Stock Exchange

“Looking back I am reminded how effective a strong working relationship can be. What impresses me most is how easy it has become to get to that final product.”

- Herbalife

“We are glad we made the choice in hiring HBC to do our build-out. We know why HBC has reputation for ‘doing things right’”

- Interactive Video Technologies

“As you know, being in New York and having a project this size going on in another state can be nerve racking, but my fears were laid to rest once I spoke to the project team and knew that they were in control of things. They worked fantastically with my vendors and showed the greatest of patience.”

- Salomon Smith Barney

“Orsini and HBC were faced with the challenge of bidding and completing this detailed and high-technology project in six months from start to finish. HBC was attentive to detail and cooperative in assisting Orsini Design to work through field, lead time and scheduling conflicts. Most importantly, our client moved in on time and within our projected budget.”

- Orsini Design Associates, Inc.

“The degree of workmanship and quality control soared way above the norm. We are particularly impressed that all phases were completed on time and within PIMCO's budgeted financial forecast. It is the opinion of PIMCO that HBC is a leader in the field of commercial building projects.”

- Pacific Investment Management Company

“As we gather our notes and look back on this project, one item seems to stand out above all. It is the excellence put forth by your company and staff that made this project run smoothly, on time and on budget.”

- Trammell Crow Company

“We are extremely pleased with not only the quality of the work completed, but the professionalism in which it was carried out, as well as HBC's ability to complete the work within the aggressive time schedule.”

- iSuppli

“I believe that all of our employees and the staff who worked directly on the building project are very satisfied with the results. Thank you for the high quality work from HBC and I look forward to working together on any future projects.”

- QLogic

“The quality of the work was superior, and HBC brought the project in on schedule and within budget constraints. The internal quality control consistently exercised by HBC in the field assured a superior product.”

- Celltech/MD Pharmaceutical, Inc.

“We would like to express our appreciation for the incredible job that your company performed for us at our new studio and office facility in Santa Monica. We are completely satisfied with the thorough and professional manner in which you handled this project.”

- ADMUSIC

“We cannot thank you enough for the magnificent job you have done on floors 47 & 48! As much as we value the work, we value the working relationship and the friendships that have developed between HBC and GDC. You are the consummate professionals and wonderful people and we are sincerely grateful for your skill and dedication.”

- Gibson, Dunn & Crutcher
